Instrumental Music Testing- BAND 2022

Dear Parents and Caregivers,

The band program at Currumbin Valley State School is an exciting learning opportunity for your child. Students involved in the program not only receive tuition on selected band instruments, but also perform in ensembles at school parades, music afternoons and various music contests. Children who learn to play an instrument gain discipline, responsibility, co-operation with others and develop a lifelong appreciation of music. This enhances their education and quality of school life.

Selected students have a weekly thirty-minute lesson. They are withdrawn from class at an agreed time in groups of up to ten students. An initial \$40 levy is payable for administration and purchase of music after which the lessons are free. There are a limited number of band instruments available for hire. Students may be eligible to hire a school instrument for a fee of \$100 for the year.

Throughout Term 4, selected students will be interviewed as to their instrumental preferences, and tested for physical suitability to determine the instrument that is most appropriate for them. Testing does not guarantee a place in the program. Please note there is no financial commitment at this point.

If you wish for your child to be considered for a place in the 2022 Beginner Band Program, please complete and return the form below, along with your instrument preference list, to the office by Friday 12th November.

Please feel welcome to email me with any questions or concerns.

Kind regards,

Jessica Kesting
Instrumental Music Teacher
